### **Sift & Futurity Show Order: Females and Males**

Berkshire, Chester, Duroc, Hampshire, Hereford, Landrace, Poland, Spot, Yorkshire, Dark Cross, Light Cross

- 2a).** In the event there are **NOT** 10 pigs per breed, there will be an AOB class for those particular breeds.
- 2b).** At the sift, in the event a breed qualifies in numbers at the sift that will also be qualified as a breed at the futurity.
- 3).** Field of Dreams Staff will **NOT** be responsible for registration papers. This must take place between the seller and buyer.
- 4).** Limit of 6 pigs per exhibitor. All pens will be assigned ahead of time.
- 5).** If the maximum amount of pens space available for pigs is taken up before March 4, 2019 then we reserve the right to close entries. *If we have enough pen space after the entry deadline closes you must pay a late fee. All late fees are doubled. All entries are non-refundable.* In the event that entries fill the pens available, the entries will be sent back to the person that sent it in.
- 6).** A commission of 15% will be charged on pigs sold through the sale.

- 8).** Each pig has been assigned a tag for the Field of Dreams Sift, Sale, & Futurity. These tags **MUST** stay in the pigs ear to be eligible to show at the Futurity. If for some reason we have a tag issue, contact Purple Power Boar Stud at (219) 984-5140.
- 9).** In the event that your hog is sifted, to be eligible for the futurity show, have the new owner bring \$30 and pig info to the clerking staff. This is the only way a sifted pig will be eligible to show at the Futurity Show. **ADDITIONALLY** we will be taking pre entries for the Field of Dream Futurity show as the sale is going on in March.
- 10).** Walton Webcasting will be doing the broadcast for the events. A video recording and/or pictures of pigs will be taken throughout the event in case of any discrepancies. We also hold the right to DNA any of the hogs at these events.
- 11).** All pigs selected to sell **MUST** go through the auction ring. If a pig does not go through the auction ring, that pig will **not** be eligible to show at the Futurity and that exhibitor will not be eligible to participate in next year's event.

12). Any pig that does not sell through the auction (No Sale) will be treated just like a sifted pig (rule#9) to be eligible for the futurity show.
